

**Friends of Bolton Lakes Spring Seminar**  
**"Landscaping in a Watershed for Healthier Lakes and Rivers"**  
**April 20<sup>th</sup> 2017 at 7:00 PM**

**Notch Municipal Building, 104 Notch Road, Bolton**

**Please note – the venue has changed.**

**Want to improve your landscaping and also benefit the health of our lakes and rivers? Find out how at this one-hour talk followed by discussion and hands on displays.**

**Kathy Connolly**

landscape designer, writer, and speaker

**Free Admission**

Join us at the Notch Municipal Building to learn how trees, shrubs, rain gardens, buffer gardens, swales, terraces, and more can benefit your landscape, nearby lakes and rivers, and the surrounding watershed.

You will:

- Learn to create and sustain landscapes that buffer storm-water runoff
- Get planting suggestions for waterfront and watershed properties
- Learn about low-impact lawn and garden care

Why attend?

- Discover ways to improve your property, preserve the lakes and rivers, provide recreation, and maintain property values
- Save time and money in making landscape improvements

**You will be able to sign up for a May 20 private consultation at your property.**

Kathy Connolly will walk your property with you, review your questions and ideas, and provide site-specific suggestions for landscaping to both improve your landscape and control storm water runoff. The site visit will last up to 45 minutes. The cost to the homeowner will be \$50 (\$40 for FBL members)

See Kathy's website [www.SpeakingofLandscapes.com](http://www.SpeakingofLandscapes.com) for her background.

Co-sponsored by the Friends of Bolton Lakes  
and the Bolton Lakes Watershed Conservation Alliance
